Is this trip right for your family?

Here are some important details to help you decide:

- It is best suited for young children 5 years old and over and who are able to do well in a group setting.
- There is considerable time spent walking (sometimes on uneven terrain) during the Conservancy programming (all 3 days).
- Cabins will be shared to allow as many families as possible to participate (Families will not be separated).
- Accommodations & facilities are non- smoking
- Children are expected to participate in all programming.
- Grandparents/Kinship caregivers are responsible for their children.

NOTE:

- Space is limited. Priority will be given to families who have not not attended before WE ENCOURAGE ALL TO APPLY
- Applications considered on a first come, first served basis
