focus is on spending quality time building strong positive relationships and having fun! At the end, we share a meal together.

The program runs after school, once a week, for 14 weeks. Each group meeting is 2.5 hours long including dinner.

Every community experiences death by suicide. When an intentionally self-inflicted death occurs families and friends suffer a magnitude of isolated, complicated grief. Because the grief that follows suicide is different from grief resulting from other causes of death the Canadian Mental Health Association formed HEARTBEAT, a group of mutual support for those who have suffered loss through suicide. For more information contact Sandy at 250-
