

# You Are Invited!

Parent Support Services Society of BC invites you to the launch of our ground breaking documentary:

## *Grandparents Raising Grandchildren: Telling Our Stories*

The documentary *Grandparents Raising Grandchildren: Telling Our Stories* provides a glimpse into the realities faced by several grandparent led families from across BC. These grandparents didn't plan to be full time caregivers at this later stage in their lives. Their stories are varied, but many of the threads are the same: loss, isolation, grief, hardship, love and determination. The grandchildren are their priority and they need and deserve, love, stability and all the support possible to ensure they can succeed in life. "This documentary will make you laugh, make you cry, and we hope, make you think."
